Welcome

Now in its third year, the Breckland Art Trail is quickly becoming a key annual event in Norfolk's art calendar.

This time around we are pleased to see the return of a number of familiar artists, while we also welcome some new artists to the trail for 2014.

We have 57 artists taking part at 25 venues across the district.

As well as some wonderful and intriguing exhibits, a new addition to the trail this year is a programme of artist demonstrations and workshops for those who want to try something a little more hands on. This programme can be found on the last two pages of this guide.

You can spend some time with the artists, perhaps buy a piece of art to take home or try your hand at one of the workshops.

With sculptures, paintings, prints, ceramics, metal work and textiles. the Breckland Art Trail is not to be missed!!
